

Sec. 14-81.5. - Wastewater utility rate schedules.

The monthly charge for wastewater utility (sanitary sewer) service shall be computed and based on the quantity of water consumed as determined by water meter readings.

Effective April 1, ~~2019~~ 2020, the monthly charge for wastewater utility service within the city shall be:

Cubic Feet Consumed Rate per 100 Cubic Feet

0–349,999~~\$8.73~~ \$8.93

Over 350,000~~\$7.61~~ \$7.79

The monthly charge for wastewater utility service outside the city limits shall be:

Effective April 1, ~~2019~~ 2020, the monthly charge for wastewater utility service outside the city limits shall be:

Cubic Feet Consumed Rate per 100 Cubic Feet

0–349,999~~\$11.56~~ \$11.82

Over 350,000~~\$10.05~~ \$10.28

Where it is shown to the satisfaction of the Winchester Municipal Utilities Commission that a substantial quantity of the water consumed by the owner or occupant served by the system does not flow on a regular and continuing basis into the wastewater collection and treatment system, the Commission may, by order entered in its minutes, permit such owner or occupant to meter the water not flowing into the wastewater collection and treatment system and may exclude such metered quantity of water in calculating the wastewater volumetric usage charge.

Any customer requesting or receiving such exclusion from its wastewater utility charges shall provide authorized representatives of the Winchester Municipal Utilities Commission reasonable access to such areas of the customer's premises as may be deemed necessary by said representatives in order to ascertain that such water is not flowing into the sanitary sewer system.

All meters installed pursuant hereto shall be supplied, installed, and maintained by the Winchester Municipal Utilities; provided, however, that the customer shall pay to the Winchester Municipal Utilities the cost of said meter installation and maintenance.

Any customer receiving such exclusion shall pay a monthly fee to defray the costs of reading and maintaining additional meters and shall pay all other costs directly related to the providing of this service.

Effective April -1, ~~2019~~ 2020, where a commercial or industrial customer utilizes over 500,000 cubic feet for wastewater services during one month the monthly charge for wastewater utility service within the city for that month shall be:

Cubic Feet Consumed	Rate per 100 Cubic Feet
0—350,000.....	\$8.73 <u>\$8.93</u>
350,001 – 500,000.....	\$2.55 <u>\$2.61</u>
Over 500,000.....	1.07 <u>\$1.09</u>

Effective April 1, 2019, where a commercial or industrial customer utilizes over 500,000 cubic feet for wastewater services during one month the monthly charge for wastewater utility service outside the city for that month shall be:

Cubic Feet Consumed	Rate per 100 Cubic Feet
0—350,000.....	\$11.56 <u>\$11.82</u>
350,001 – 500,000.....	\$4.98 <u>\$5.10</u>
Over 500,000.....	3.51 <u>\$3.59</u>

The rates in this section may be adjusted in accord with section 14-81 (c).

Where it is shown to the satisfaction of the Winchester Municipal Utilities Commission that a substantial quantity of the water consumed by the owner or occupant served by the system does not flow on a regular and continuing basis into the wastewater collection and treatment system, the Commission may, by order entered in its minutes, permit such owner or occupant to meter the water not flowing into the wastewater collection and treatment system and may exclude such metered quantity of water in calculating the wastewater volumetric usage charge.

Any customer requesting or receiving such exclusion from its wastewater utility charges shall provide authorized representatives of the Winchester Municipal Utilities Commission reasonable access to such areas of the customer's premises as may be deemed necessary by said representatives in order to ascertain that such water is not flowing into the sanitary sewer system.

All meters installed pursuant hereto shall be supplied, installed, and maintained by the Winchester Municipal Utilities; provided, however, that the customer shall pay to the Winchester Municipal Utilities the cost of said meter installation and maintenance.

Any customer receiving such exclusion shall pay a monthly fee to defray the costs of reading and maintaining additional meters and shall pay all other costs directly related to the providing of this service.
