Monthly Rate Schedule**

**ARTICLE IV
(Rates and charges based on surcharge method)**

Section 1: The following schedule of user charge rates shall apply to each user of the wastewater treatment works. This schedule includes rates for OM&R and rates for debt service charges, each based on the volume of metered or estimated water consumption.

Total gals.	OM&R 1000 gals.	Debt 1000 gals.	Total user charge 1000 gals. = \$18.40
-------------	--------------------	--------------------	---

Water Consumption/ Mo.		Rate	Service	Rate
From	To			
0	1000 gallons	\$9.90	\$8.50	18.40
1001	and over	8.10		8.10 (per 1,000 gals.)

ARTICLE VI

SECTION 1: All users shall be billed monthly. Billings for any particular month shall be paid by the tenth of the month. Any payment not received within ten days after due date will be subject to disconnection. All past due bills and reconnect fees must be paid in full before reconnection.

SECTION 2: A late payment penalty of twenty percent of the user charge bill will be added to the delinquent bill after the tenth of the month. When any bill is more than ten days in default, water or wastewater service to such premise shall be disconnected until such bill is paid in full.
