

**RESOLUTION ESTABLISHING RATES
FOR THE PERRY COUNTY SANITATION DISTRICT NO. 1**

WHEREAS: The Perry County Sanitation District No. 1 operates and maintains a wastewater collection system to serve customers in Perry County, Kentucky;

WHEREAS: The collection and proper disposal of wastewater has been determined to protect the public health and be in the best interest of all citizens of Perry County;

WHEREAS: The Perry County Sanitation District No. 1 has been tasked by the Perry County Fiscal Court to extend its wastewater collection system to serve the rural areas of Perry County;

NOW THEREFORE, be it resolved by the Perry County Sanitation District No. 1, the following user rate structure is necessary to operate, maintain and meet the financial and regulatory operations of the District:

Rates effective July 1, 2014

Minimum (2,000 gallons)	\$19.50
Each Additional 1,000 gallons	\$ 9.75

Cost for 4,000 gallons	\$39.00
------------------------	---------

Rates will be adjusted upward 3% each year on an annual basis, commencing on January 1, 2015. If annual expenses indicate more than a 3% increase is necessary for the District to meet the financial obligations for the operations, maintenance and debt service of the system, a review of the rates will be performed, and a vote of the full board will be taken to adjust rates to the necessary amount to meet obligations.

Adopted and approved January 9th, 2014,

Bobby Brown, Chairman
